

# LIFE After 4:00

What is Life after 4? It is a new program at the American School for the Deaf. We have the opportunity for creative activities to happen. All of these activities will take place after work hours and on campus. Each class needs a minimum of 8 participants. Classes can be one night deals to a mini-series. Topics can be Aromatherapy, Yoga, English Tutorials, Personal Financing, Investments, Basic Auto Care and more!! Let's share our creative, inspiring and resourceful selves and have some fun!
